Email Activity

Following is a list of all the events generated by your account. The *Date* is when the event occured and the *Type* is the type of event. Click the plus symbol next to any listed event for more details. If you leave search box empty it will show the most recent events for any email address. The images next to each event is a [Gravatar](#).

You can view a video demonstration of this feature [here](#).

NOTE: Email activity history start date: 03/11/2014

| Q Search by email | ⊗ | SEARCH | [Search Options](#) |

Email Addresses	Date	Type	
🔲 mot@sendgrid.com	March 18, 2014 - 02:47:57 PM	✉️ Open	⊕
